

Thank you everyone who came out yesterday to enjoy a beautiful day at Paradise Valley Golf Course for OCGC's 60th Marc Rice Memorial Tournament, the first of the three majors we host annually. Do you know why this is the Marc Rice Memorial Tournament, this event was established in honor of OCGC's first sponsor and long-time supporter Marc Rice, Sr. whom in the early 1960's donated all event trophies through his business Marc Rice Jewelry and Awards in Walnut Creek. After his passing, his son, Marc Rice, Jr., and wife Pat continued sponsoring our club for many years. OCGC is proud to continue this tradition in hosting this event every year.

There were 26 players that competed for the champion title this past Sunday. In addition to the main event, 7 first round Match Play tournaments took place at the same time - making the day that much more competitive and fun. It was great to see everyone after the Tournament for a drink at the club house and hear the results of the day.

Without further ado, below are the results from the tournament and congratulations to all the winners:
